

Row Beyond Diagnosis

Winter 2021 Session

Row Beyond Diagnosis is a 6-week program to introduce rowing to women with cancer and others with breast cancer (4 total) as a way to build strength, camaraderie, and mental focus.

January 9, 16, 23, 30 & February 6, 13

10:30 a.m. – Noon

PLEASE BE PROMPT

This program is provided free of charge to survivors. No experience necessary. Pre-registration and completed Vero Beach Rowing medical and liability release forms are required. Please wear form-fitting clothes (ie, nothing baggy) and bring sunglasses, hat, and a water bottle. Snack recommended.

Location: MacWilliam Park Boat Basin. At the traffic light at the eastern end of the Merrill Barber Bridge, go north on Indian River Drive East and take the first left (next to the bridge) and follow the signs to the Boat House site.

Registration or questions
